

Victim Support Service Inc.

Victim Support Service (VSS) is a statewide, community based not-for-profit organisation in South Australia. Qualified staff and trained volunteers provide a comprehensive range of services for adults and older adolescents who have experienced crime. This includes individual crime victims, their families, friends and the wider community.

Vision

An Australia united in a commitment to safer communities through crime prevention, victim awareness and addressing the impact of crime.

Mission

To champion and promote our vision, and to work in partnership with our clients, communities and service providers to enhance community resilience, improve the well-being of people affected by crime and promote victims' rights.

Please call VSS or visit our website for more information.

Staying Home Staying Safe

A security upgrade program for women and children who have been affected by domestic or family violence and want to remain in their own home.

Victim Support Service...
providing services statewide.

Staying Home Staying Safe

Our Vision

Every woman and child has a right to live in their own home free from abuse, violence or fear.

Our Aim

To give women and children experiencing domestic or family violence the choice to remain in contact with their communities, schools and support systems by assisting them to remain in their own home if they wish to.

To reduce homelessness for women and children who have been subject to domestic or family violence.

Eligibility

Women:

- with or without children.
- at risk of homelessness due to domestic or family violence.
- wanting help to stay in their own home without the violent person.
- living in housing capable of being made safer by the addition of home security.

Services Provided

- Home safety audits
- Provision of tailored home security packages including installation of locks, sensor lights, alarms etc.
- Safety planning assistance
- Linking to additional support services

We Believe:

- that women and children have the right to be safe from harm.
- that it is better if women and children can remain in their homes and communities and have the violence leave.
- that Staying Home Staying Safe provides an alternative for women and children experiencing domestic or family violence.
