

## Manager Client Services - Counselling

- Outstanding Leadership Opportunity
- Trauma Informed & Community Focussed
- Adelaide Based Not-For-Profit
- Remuneration: Negotiable, Salary Sacrifice Benefits

Victim Support Service is a not-for-profit community-based organisation that has a lead role in providing services to victims of crime in South Australia. We currently provide services in Adelaide and 7 regional areas

A rare opportunity has arisen for a senior manager to lead and support a team of dynamic and dedicated counsellors. Working from a trauma informed perspective, VSS provides therapeutic counselling and support to navigate the criminal justice system to victims of crime and domestic abuse. Counsellors also support Survivors of Institutional Child Sexual Abuse to access the National Redress Scheme.

Reporting to the Chief Executive and part of the Senior Management Team, we are seeking a Senior Manager with:

- Relevant tertiary qualification in Human Services such as Social Work or Counselling
- Experience as a Senior Manager working within the Not For Profit Sector
- Extensive knowledge about trauma, including best practice approaches and the dynamics and effects of trauma
- Ability to apply a critical analysis about contemporary issues pertaining to crime and/or abuse, including law reform and policy initiatives

Appointment subject to DHS Working with Vulnerable People and Child Related Employment clearances. Driver's Licence required.
